This textbook has been fully revised to reflect the 2015 AQA Business specification, giving you up-to-date material that supports your teaching and student's learning. - Builds up quantitative skills with 'Maths moment' features and assesses them in the end of chapter activities - Ensures students have the knowledge of real life businesses so they can apply their theoretical understanding with the 'Business in focus' feature - Helps students get to grips with the content and tests key skills with activities at the end of every chapter

This resource provides students with all they need to work through the specification with complete confidence.

Double-entry accounting can be easy if it's explained well, and Mastering Book-keeping does just that. Now in its updated 8th edition, this popular book has helped thousands of people to get to grips with book-keeping. It explains the principles and practice of book-keeping sequentially, and includes: - The daybooks and ledger accounts - End of year accounting - Sole proprietorships, limited companies, partnerships and not-for-profit organisations - Using computers for accounting - Accounting for VAT - Progressing to more advanced management accounting - The implications of the Data Protection Act 1998 on book-keepers Plus step-by-step guides to compiling a balance sheet, depreciation, accounting for bad and doubtful debts, and much more. Everything is made clear with easy-to-follow explanations. Typical transactions are illustrated throughout to make the information even easier to understand. This book is suitable for those preparing for the examinations of ICB, AAT, IAB, OCR, AQA and all other courses in book-keeping and accounts.

Cambridge O Level Principles of Accounts has been designed specifically to meet the requirements of the Cambridge syllabus. Cambridge O Level Principles of Accounts has been written specifically for the Cambridge O Level Accounting syllabus. The book reflects the changes in the O Level Principles of Accounts syllabus and applies international accounting terminology.

The report presents findings from the 2018 revision of World Urbanization Prospects, which contains the latest estimates of the urban and rural populations or areas from 1950 to 2018 and projections to 2050, as well as estimates of population size from 1950 to 2018 and projections to 2030 for all urban agglomerations with 300,000 inhabitants or more in 2018. The world urban population is at an all-time high, and the share of urban dwellers, is projected to represent two thirds of the global population in 2050. Continued urbanization will bring new opportunities and challenges for sustainable development.

An improved, larger-format edition of the Cambridge School Shakespeare plays, extensively rewritten, expanded and produced in an attractive new design. An active approach to classroom Shakespeare enables students to inhabit Shakespeare's imaginative world in accessible and creative ways. Students are encouraged to share Shakespeare's love of language, interest in character and sense of theatre. Substantially revised and extended, classroom activities are thematically organised in distinctive 'Stagecraft', 'Write about it', 'Language in the play', 'Characters' and 'Themes' features. Extended glossaries are aligned with the play text for easy reference. Expanded endnotes include extensive essay-writing guidance for 'The Taming of the Shrew' and Shakespeare. Includes rich, exciting colour photos of performances of 'The Taming of the Shrew' from around the world.

From the Royal Shakespeare Company – a fresh new edition of Shakespeare’s bittersweet comedy of courtship and ethnic tension THIS EDITION INCLUDES: * An introduction to The Merchant of Venice by award-winning scholar Jonathan Bate * The play – with clear and authoritative explanatory notes on each page * A helpful scene-by-scene analysis and key facts about the play * An introduction to Shakespeare's career and the Elizabethan theatre * A rich exploration of approaches to staging the play featuring photographs of key productions The most enjoyable way to understand a Shakespeare play is to see it or participate in it. This unique edition presents a historical overview of The Merchant of Venice in performance, recommends film versions, takes a detailed look at specific productions and includes interviews with two leading directors and two actors – Darko Tresnjak, David Thacker, Anthony Sher and Henry Goodman - so that we may get a sense of the extraordinary variety of interpretations that are possible, a variety that gives Shakespeare his unique capacity to be reinvented and made 'our contemporary' four centuries after his death.

Single girl, 33, redhead and smouldering, love life that's crashed and burned. Seeks new flame to rekindle her fire. Fun, friendship and—who knows—more maybe? In Peter James' Want You Dead, thirty-year old Red Cameron meets handsome, charming and rich thirty-five year old Bryce Laurent through an online dating agency, and is instantly attracted to him. But as their love blossoms, the truth about his past begins to emerge, and with it his dark side. Everything he has told Red about himself turns out to be a tissue of lies, and her infatuation with him gradually turns to terror. Within a year, and under police protection, she evicts him from her flat and her life. But far from being over, her nightmare is only just beginning. For Bryce is obsessed and besotted with her. He intends to destroy, by fire, everything and everyone she has ever known and loved—and then her, too. It's up to Detective Superintendent Roy Grace to stop him before it's too late...
