Attack on Titan, like Hunter x Hunter, is not a bad manga. On the contrary, it may be an ongoing masterpiece. However, it is on this list for the opposite reason to Hunter x Hunter. While Hunter x Hunter had its art quality deteriorate as the years went, Attack on Titan only improved. In contrast to the recent chapters, the earlier ones look like they were drawn by an amateur -- and we say that as a testament to how much mangaka Hajime Isayama has improved, both as an artist and a writer ...

From Attack on Titan to Hunter x Hunter: 5 Anime Better ...

AN: Due to a few questions and some thinking it over I've come to the conclusion it would be better to simply say what this is based off of for clarification. A Titan and His Hunter was inspired by Beauty and the Beast with some artistic freedoms being taken. "Kill it!" "It'll eat us all!" "Did you see what happened to the millers' family?" "Kill it!"

In Greek mythology, Orion was a giant huntsman whom Zeus placed among the stars as the constellation of Orion. Ancient sources tell several different stories about Orion; there are two major versions of his birth and several versions of his death. The most important recorded episodes are his birth somewhere in Boeotia, his visit to Chios where he met Merope and after he raped her, was blinded by her father, Oenopion, the recovery of his sight at Lemnos, his hunting with Artemis on Crete, his dea
