How to deliver your ASX Announcements immediately via IRM ...

The new ASX website launched on 12 October presents issues for many companies who use it to show announcements from their own websites or publish links in their emails. These companies need to fix potentially hundreds of incorrect links, and possibly get permission from ASX. These issues apply to you if... 1.

| IRM Pty Ltd

IRM has been working with listed companies in Australia since 2002. Some of our current clients have remained clients for over 10 years. We love to build long term relationships built on trust. When we first started, our business differentiated itself by the way we published ASX Announcements on the company website and distributed Email Alerts.
