A key figure in the administrations of Franklin D. Roosevelt and Harry S. Truman, Benjamin V. Cohen (1894–1983) was a major architect of public policy from the first days of FDR’s presidency through the early days of the Cold War. Although he kept a low public profile, Cohen’s influence extended across a wide range of domestic and foreign policy initiatives. In this biography, William Lasser offers the first account of Ben Cohen’s life and career, and an assessment of his contribution to the origin and development of modern American liberalism. Cohen’s life provides an extraordinary lens through which to view the development of the evolving political philosophy of the Roosevelt and Truman presidencies. A brilliant lawyer noted for his good judgment and experience, Cohen was a leading member of FDR’s “Brain Trust,” developing ideas, drafting legislation, lobbying within the administration and in Congress, and defending the New Deal in court. The book traces his contributions to domestic financial policy, his activities during the war years in London and Washington, his service as counselor to the State Department and member of the American delegation to the United Nations after the war, and his role in the American Zionist movement. From Cohen’s life and work, Lasser draws important insights into the development of the New Deal and the evolution of postwar liberalism.

The instant New York Times bestseller and celebrated family love story heralded as “perfect for fans of Celeste Ng and Donna Tartt” (People). If you knew the date of your death, how would you live your life? It’s 1969 in New York City’s Lower East Side, and word has spread of the arrival of a mystical woman, a traveling psychic who claims to be able to tell anyone the day they will die. The Gold children—four adolescents on the cusp of self-awareness—sneak out to hear their fortunes. The prophecies inform their next five decades. Golden boy Simon escapes to the West Coast, searching for love in ’80s San Francisco; dreamy Klara becomes a Las Vegas magician obsessed with blurring reality and fantasy; eldest son Daniel struggles to maintain security as an army doctor post-9/11; and bookish Varya throws herself into longevity research, where she tests the boundary between science and immortality. Both a dazzling family love story and a sweeping novel of remarkable ambition and depth, The Immortalists probes the line between destiny and choice, reality and illusion, this world and the next. It is a deeply moving testament to the power of story, the nature of belief, and the unrelenting pull of familial bonds.

The first Black man to graduate from West Point in this century describes the discrimination he faced in the Armed Forces, his successful command of air combat units in World War II, and his rise to the rank of three-star general.

In the bestselling tradition of Restaurant Man and Setting the Table, Front of the House is a revealing and wryly humorous behind-the-scenes look at the gracious art of great restaurant service. Great restaurant service is a gracious art that’s been studied, practiced and polished by Jeff Benjamin, two-time James Beard Award nominee and managing partner of Philadelphia’s acclaimed Vetri family of restaurants. Sagacious and observant, he beckons us behind the scenes for an insider’s look at reserving a table, what your server thinks of you, what it takes to get ejected from a fine restaurant and a host of other revelations.

"In graphic novel format, tells the life story of American statesman and inventor Benjamin Franklin"—Provided by publisher.

Benjamin figures out how to have a birthday every day of the year.

Sylvie Patterson joins scientist Adrian Keller and former flame Gabe on a quest to introduce people to lucid dreaming, but a mysterious couple inspire Sylvie to question the ethics of their work while she grapples with the shifting boundaries of reality.

The Autobiography of Benjamin Franklin was written by Benjamin Franklin from 1771 to 1790; however, Franklin himself appears to have called the work his Memoirs. Although it had a torturous publication history after Franklin's death, this work has become one of the most famous and influential examples of autobiography ever written.

Chronicles the life of the man Martin Luther King, Jr. called his "spiritual and intellectual father," discussing his impact on the leadership of the black church.
