At the heart of Born to Run lies a mysterious tribe of Mexican Indians, the Tarahumara, who live quietly in canyons and are reputed to be the best distance runners in the world; in 1993, one of them, aged 57, came first in a prestigious 100-mile race wearing a toga and sandals. A small group of the world's top ultra-runners (and the awe-inspiring author) make the treacherous journey into the canyons to try to learn the tribe's secrets and then take them on over a course 50 miles long.

~~Born to Run: A Hidden Tribe, Superathletes, and the ...~~

Born to Run was a very fun book to read, and full of amazing characters, but what I loved the most were all the nuggets of interesting and useful information sandwiched into the story (i.e. studies on the value of running shoes, the superfood Chia seeds, the backgrounds of successful ultra distance runners).
