Corrective and preventive action
(CAPA) can be viewed differently
by employees within
pharmaceuticals and medical
device companies. Some see
CAPAs as simply an onerous task
given to them to complete in
order to “stay compliant,” while

Read Book Capa In The Pharmaceutical And

others look at CAPAs as simply a number based metric that needs to be reduced.

Why is CAPA so Important Anyway? | ProPharma Group

In certain markets and industries, CAPA may be required as part of
