Captain's Day: A Golf Causerie: Amazon.co.uk: Ravenscroft ...

Review of Captain's day by Terry Ravenscroft 3 stars Think of Captains Day as a cross between Blott on the Landscape and The Good life all based on a golf course. The laughs come thick and fast and I did truly laugh at the lively and colorful characters. The reason it's not got more stars is that I found the laughter rather too slapstick and ...

Captains Day A Golf Causerie

If golf is, as Mark Twain said, "a good walk spoiled," then Captain's Day is "the Apocalypse on well-manicured turf." Only the sharply twisted wit of award-winning BBC comedy writer Terry Ravenscroft could come up with so many outrageous, hilarious, mind's-eye-bending, and just plain bizarre happenings, all in the course of one day, on the course of one golf club.

Captains Day A Golf Causerie - cable.vanhensy.com

Knebworth Golf Club's captain, Peter Simmons, with the winning team. Archant Over 100 golfers battled terrible weather at Knebworth Golf Club to support their annual Captain's Day.

At Sunnymere Golf Club meticulous plans put in place by club captain Henry Fridlington ought to have guaranteed that his Captain's Day would be the best day in his life. However Henry has recently enforced a 'no swearing on the golf course' policy, a policy which has not gone down at all well with the membership - and a policy which is largely instrumental in ensuring that far from being the best day in his life his Captain's Day quickly turns into the very worst day of his life. Of course the self-important behaviour of Henry himself doesn't help matters. Neither does the arrival of the fire brigade on the golf course, the arrival of the police and the arrival of a twenty feet high pile of manure on the eighteenth green. But even without these unwanted distractions the two naked golfers charging about the course, one of them fuelled by drugs, the other fuelled by the desire to escape from the cuckolded fellow golfer chasing him, might have been enough to make Henry wish he'd never heard of the game of golf. Not to mention the mayhem caused by dance DJ Daddy Rhythm and his 120 decibel disco. Nor what the Lady Captain was getting up to with Henry's father-in-law and two of his friends when Henry called in with his friend the Lord Mayor at the hospitality tent. Captain's Day will make non-golfers wonder why otherwise sane people take up the game and those who have taken up the game wish they had taken up

something less fraught with danger, such as formation hang-gliding. Just one of many 5 star Amazon Reviews - "This is a very funny book. It will be enjoyed by golfers and non -golfers alike. In fact if Captain's Day was like this in real life, lots more would take up the game. Refreshingly non PC with events that only the author could ever think of. Great fun and I doubt you have ever read anything like it before." Cornishblue. Captain's Day contains some sex scenes and strong language.

At Sunnymere Golf Club meticulous plans put in place by club captain Henry Fridlington and his good lady wife Millicent ought to have guaranteed that his Captain's Day would be the best day of his life. However Henry has recently enforced a strict 'no swearing on the golf course' policy, a policy which has not gone down at all well with the membership - and a policy which is largely instrumental, along with more than a little help from Henry himself, in ensuring that far from being the best day in his life his Captain's Day turns into the very worst day of his life. Read extracts from Captain's Day on the topcomedy website.

Playboy stockbroker, Alvin Benson, is found in his brownstone mansion with a bullet through his head. First on the scene is Philo Vance, amateur detective, who is at once intrigued by the absence of Alvin's toupee and his false teeth. With a jigsaw of odd clues he sets off in pursuit of an elusive murderer, making obvious his disdain for the professional crime-solvers of the police and the DA's office. To him, they seem to be hopelessly addicted to the pernicious practice of looking for physical clues and circumstantial evidence. His own theory is that psychology is the key. The first in the Philo Vance

series, *The Benson Murder Case*, originally published in 1926, has all the hallmarks of a ripping, puzzle-solving crime.

Horace G. Danner's *A Thesaurus of English Word Roots* is a compendium of the most-used word roots of the English language. As Timothy B. Noone notes in his foreword: "Dr. Danner's book allows you not only to build up your passive English vocabulary, resulting in word recognition knowledge, but also gives you the rudiments for developing your active English vocabulary, making it possible to infer the meaning of words with which you are not yet acquainted. Your knowledge can now expand and will do so exponentially as your awareness of the roots in English words and your corresponding ability to decode unfamiliar words grows apace. This is the beginning of a fine mental linguistic library: so enjoy!" In *A Thesaurus of English Word Roots*, all word roots are listed alphabetically, along with the Greek or Latin words from which they derive, together with the roots' original meanings. If the current meaning of an individual root differs from the original meaning, that is listed in a separate column. In the examples column, the words which contain the root are then listed, starting with their prefixes, for example, *dysacousia*, *hyperacousia*. These root-starting terms then are followed by terms where the root falls behind the word, e.g., *acouesthesia* and *acoumeter*. These words are followed by words where the root falls in the middle or the end, as in such terms as *bradyacusia* and *odynacusis*. In this manner, *A Thesaurus of English Word Roots* places the word in as many word families as there are elements in the word. This work will interest linguists and philologists and anyone interested in the etymological aspects of English language.

White conducted more than 130 interviews in Kenya, Uganda, and Zambia to compile this "stimulating and provocative . . . book on vampires (that) reverses strong mythologies" (Valentin Mudimbe, author of "The Idea of Africa") about the subject. 2 maps.

The architect of many of golf's great courses, including St. Andrews in Scotland and Augusta National, offers his views on the evolution of golf and shares insights on techniques and equipment

THE GREATEST GAME EVER PLAYED is the story of Francis Ouimet and Harry Vardon, who in pursuit of their passion for a game that captivated them as children, broke down rigid social barriers that made their sport accessible to everyone on both sides of the Atlantic and beyond, positioning golf as one of the most widely played games in the world. Ouimet and Vardon were two men from different generations and vastly different corners of the world whose lives, unbeknownst to them at the time, bore remarkable similarities, setting them on parallel paths that led with a kind of fated inevitability to their epic battle at Brookline years in the future. This collision resulted in the 'big bang' that gave rise to the sport of golf as we know it today. For Mark Frost, Francis Ouimet and Harry Vardon represent everything that's right about sports in general and sportsmen in particular; gentlemen, champions, teachers, leaders, and each in their own quiet way, heroes. In THE GREATEST GAME EVER PLAYED, Frost attempts to create penetrating studies of both of these men, along with over dozens of the game's seminal figures, within the dramatic framework offered by the tournament when they finally
