Clean Language: Revealing Metaphors and Opening Minds

...

Clean Language is an approach to soliciting information and facilitating discussion that recognises this central role of metaphors, helps us spot metaphors in other people's thoughts and our own ideas and makes those connections explicit. The premise of Clean Language is that such conscious analysis of metaphors helps understand other people better.

Read PDF Clean Language Revealing Metaphors And Opening

While the 'Clean' approach will be instantly valuable to therapists and coaches, *Clean Language: Revealing Metaphors and Opening Minds* also shows how it can be taken into conversations between parent and child, teacher and pupil, manager and staff, doctor and patient, researcher and subject; into team meetings, organisational development and in many other areas. Along the way the reader is made aware of how their own assumptions and intentions influence the systems in which they live ...

Read PDF Clean Language Revealing Metaphors And

Opening and Opening Minds,
Wendy Sullivan and Judy Rees
give an in-depth yet highly
accessible route-map for
understanding the
metaphorical nature of human
perception, and for
developing powerful skills
for working in the domain of
personal metaphor. While I
expected the subject to be
covered in masterful detail,
what I didn't anticipate was
such a cogent and useful
introduction to the role
metaphors play in
perception.

Clean Language Revealing Metaphors And Opening Minds [EPUB]

Clean language is a technique primarily used in counseling, psychotherapy and coaching but now also used in education, business, organisational change and health. It has been applied as a research interview technique called clean language interviewing. Clean language aims to support clients in discovering and developing their own symbols and metaphors, rather than the
