Occupation Dark Days

Apocalypse Z Book

Dark Days is the sequel to
Apocalypse Z: The Beginning
of the End. It picks up
immediately from where the
first books ends and plunges
you straight into the
action. I've read a lot of

Zombie fiction but what I like most about these books is that they are set in Spain and view a worldwide zombie plague from a fresh European perspective instead of the gun-toting tired old American type.

Dark Days is the second book in the Apocalypse Z series. I never read the first book but it was easy to quickly piece together the whole story. I picked up this book because one of my current obsessions is ...zombies. Well I did get zombies but not as much as I expected. I was expecting the zombies to be gruesome and in your face. They were not.
