Devil's Guard, by George Robert Elford published in 1971, is the story of a former German Waffen-SS officer's string of near-constant combat that begins on World War II 's eastern front and continues into the book's focus—the First Indochina War, as an officer in the French Foreign Legion. The book is presented by the author as nonfiction but considered to be untrue by military historians, and usually sold as fiction.

As such, the central characters in Eric Meyer's series, Devil's Guard, are former members of the Waffen-SS. The highly trained one-time Nazis tip the scales in French favor as they easily defeat their Vietnamese opponents with minimal casualties all the while. The various factual aspects of the time-frame appeals to the reader, the few discrepancies notwithstanding. Best Devil's Guard Books

The third book in Eric Meyer's acclaimed new series on the REAL story behind the SS in Vietnam. It's the first in the series to describe their events in the bloodthirsty combat of Indochina.

### *Devil's Guard: The Real Story by Eric Meyer*

I believe 'Devils Guard' was based on truth but, I find 'Unconditional Warfare' a little far-fetched. Elford does show a lot of imagination in using Gliders and Lewisite to combat the VC. One thing is for certain if the US had used these tactics the Vietnam war would have been over a lot sooner.

The Devil's Guard also shows a lot of ingenuity in fieldcraft and guerrilla warfare. The former Nazis employed some of the guerrilla's tactics against the very guerrillas that gave them the ideas.

Condemned to death for the bloodbaths of World War II, they served their sentence—on the killing fields of Vietnam. The fascinating, true story of the French Foreign Legion's Nazi battalion WHAT THEY DID IN WORLD WAS II WAS HITORY'S BLOODIEST NIGHTMARE. The ashes of World War II were still cooling when France went to war in the jungles of Southeast Asia. In that struggle, its frontline troops were the misfits, criminals, and mercenaries of the French Foreign Legion. And among that international army of the desperate and the damned, none were so bloodstained as the fugitive veterans of the German S.S. WHAT THEY DID IN VIETNAM WAS ITS UGLIEST SECRET—UNTIL NOW. Loathed by the French, feared and hated by the Vietnamese, the Germans fought not for patriotism of glory but because fighting for France was better than hanging from its gallows. Here now is the untold story of the killer elite whose discipline, ferocity, and suicidal courage made them the weapon of last resort.

Following the myths and legends about Nazis recruited by the French Foreign Legion to fight in Indochina, Eric Meyer's new book is based on the real story of one such former Waffen-Ss man who lived to tell the tale. The Legion recruited widely from soldiers left unemployed and homeless by the defeat of Germany in 1945. They offered a new identity and passport to men who could bring their fighting abilities to the jungles and rice paddies of what was to become vietnam. These were ruthless, trained killers, brutalised by the war on the Eastern Front, their killing skills honed to a razor's edge. They found their true home in Indochina, where they fought and became a byword for brutal military efficiency.

“The most comprehensive and comprehensible history of the West Virginia Coal War I've ever read” (John Sayles, writer and director of Matewan). On September 1, 1912, the largest, most protracted, and deadliest working class uprising in American history was waged in West Virginia. On one side were powerful corporations whose millions bought armed guards and political influence. On the other side were fifty thousand mine workers, the nation's largest labor union, and the legendary “miners' angel,” Mother Jones. The fight for unionization and civil rights sparked a political crisis that verged on civil war, stretching from the creeks and hollows of the Appalachians to the US Senate. Attempts to unionize were met with stiff resistance. Fundamental rights were bent then broken, and the violence evolved from bloody skirmishes to open armed conflict, as an army of more than fifty thousand miners finally marched to an explosive showdown. Extensively researched and vividly told, this definitive book about an essential chapter in the history of American freedom, “gives this backwoods struggle between capital and labor the due it deserves. [Green] tells a dark, often despairing story from a century ago that rings true today” (Pittsburgh Post-Gazette).

The 'Devil's Brigade' was the name given to US/Canadian special forces in World War II, who saw action in the Aleutian Islands, Italy and the south of France. This account was co-written by a brigade veteran and includes profiles of many of his comrades in this famously rugged unit.

Hannah resents the traditions of her Jewish heritage until time travel places her in the middle of a small Jewish village in Nazi-occupied Poland.

“Dictionary, n: A malevolent literary device for cramping the growth of a language and making it hard and inelastic. This dictionary, however, is a most

useful work.” Bierce’s groundbreaking Devil’s Dictionary had a complex publication history. Started in the mid-1800s as an irregular column in Californian newspapers under various titles, he gradually refined the new-at-the-time idea of an irreverent set of glossary-like definitions. The final name, as we see it titled in this work, did not appear until an 1881 column published in the periodical *The San Francisco Illustrated Wasp*. There were no publications of the complete glossary in the 1800s. Not until 1906 did a portion of Bierce’s collection get published by Doubleday, under the name *The Cynic’s Word Book*—the publisher not wanting to use the word “Devil” in the title, to the great disappointment of the author. The 1906 word book only went from A to L, however, and the remainder was never released under the compromised title. In 1911 the Devil’s Dictionary as we know it was published in complete form as part of Bierce’s collected works (volume 7 of 12), including the remainder of the definitions from M to Z. It has been republished a number of times, including more recent efforts where older definitions from his columns that never made it into the original book were included. Due to the complex nature of copyright, some of those found definitions have unclear public domain status and were not included. This edition of the book includes, however, a set of definitions attributed to his one-and-only “Demon’s Dictionary” column, including Bierce’s classic definition of A: “the first letter in every properly constructed alphabet.” Bierce enjoyed “quoting” his pseudonyms in his work. Most of the poetry, dramatic scenes and stories in this book attributed to others were self-authored and do not exist outside of this work. This includes the prolific Father Gassalasca Jape, whom he thanks in the preface—“jape” of course having the definition: “a practical joke.” This book is a product of its time and must be approached as such. Many of the definitions hold up well today, but some might be considered less palatable by modern readers. Regardless, the book’s humorous style is a valuable snapshot of American culture from past centuries. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

‘Resist The Devil’ is an introduction to how the demonic kingdom operates in today’s world. In these last days, the evil kingdom has gained a very strong hold over the lives of those who have been called and chosen of God. When we as children of God, deviate from God’s design for our lives, the devil and his army of demons gain hold over our lives. We can resist the devil when we repent of our unrighteous, sinful ways and turn back from displeasing God, allowing the Lord to have His way in our lives and to teach us to follow His design for our lives. In this book you will learn: 1. How the evil kingdom gains hold over our carnal minds and how we can renew our minds. 2. How carnal emotions like hatred, bitterness, hurts, fear, etc. invite demonic invasion into our lives and how our Lord Jesus can set us free from these emotions. 3. How sin opens door to demonic invasion and how we can deal with the biggest bondage to sin in our lives. 4. How evil spirits get entry into our lives when we believe a lie and how the Lord Jesus can set us free from bondage to lies. 5. How a bond of love between two people can invite evil spirits into our lives through ungodly soul ties and how one can be set free from demonic invasion. 6. What is sorcery and witchcraft? 7. How we can counter witchcraft attacks. 8. How a person’s soul can be imprisoned in an underground prison by the demonic kingdom, the damages caused by demons through captivity and how we can partner with the Lord Jesus to rescue souls from captivity. 9. How an army of demons enter our lives through a traumatic incident and how we can be set free from its impact on our lives. 10. How we can partner with the Lord Jesus in a war against Satan’s army of demons. 11. The authority we have in Christ to go against evil spirits. 12. What it means to put on the whole armor of God.

INSTANT NEW YORK TIMES BESTSELLER “It’s never quite the book you think it is. It’s better.” —Dwight Garner, *The New York Times* From John Darnielle, the *New York Times* bestselling author and the singer-songwriter of the Mountain Goats, comes an epic, gripping novel about murder, truth, and the dangers of storytelling. Gage Chandler is descended from kings. That’s what his mother always told him. Years later, he is a true crime writer, with one grisly success—and a movie adaptation—to his name, along with a series of subsequent less notable efforts. But now he is being offered the chance for the big

break: to move into the house where a pair of briefly notorious murders occurred, apparently the work of disaffected teens during the Satanic Panic of the 1980s. Chandler finds himself in Milpitas, California, a small town whose name rings a bell—his closest childhood friend lived there, once upon a time. He begins his research with diligence and enthusiasm, but soon the story leads him into a puzzle he never expected—back into his own work and what it means, back to the very core of what he does and who he is. Devil House is John Darnielle's most ambitious work yet, a book that blurs the line between fact and fiction, that combines daring formal experimentation with a spellbinding tale of crime, writing, memory, and artistic obsession.

A collaborationist who fought for Germany during WWII and later for the French in Vietnam tells his eventful life story in this military memoir. This is the riveting true story of Paul Martelli who fought on the Eastern Front in 1945 as a fifteen-year-old member of the 33rd Waffen-Grenadier-Division of the SS Charlemagne, and later, as a soldier with French forces in the Tonkin area of Vietnam. Paul recounts his time at the Sennheim military training base; his experience of the German invasion of France when he was still a boy in Lorraine; and his motivations for enlisting with the Waffen SS a few years later. He reveals his escapades at Greifenberg, his first love with a German girl helping refugees, and his experiences of combat. After the German defeat, Martelli ends up delivering a group of female camp prisoners to a Russian officer, then living in disguise among enemy soldiers until he escapes and surrenders to the Americans. After a prison sentence and military service in Morocco, Paul is sent to fight in defense of French bases north of Hanoi, Vietnam. Though he survives three years of fierce combat, he compares his service in the Waffen SS with the inefficiency of the French Expeditionary Force and comes out deeply frustrated. At almost twenty-six, Martelli has fought and lost in two wars, both against the communists. Unemployed, and with the ideals of a 'Nouvelle Europe' in pieces, he briefly joins the French Foreign Legion before choosing another path
