You will also need 4 craft papers to make this flower. Fold the paper into half 2 times and then into even thirds. Cut the top of the folded paper into an arch shape. Cut 3 more. This way it will create 12 petals on each piece of paper. Again cut the 12 petaled papers as shown in the 5th picture of this step.

Origami is the traditional Japanese art of paper folding, which transforms a flat sheet of paper into a finished sculpture through folding and sculpting techniques. There are a lot of creative ways to make origami roses. Here is just another example. Unlike most origami roses which involve folding, rolling and twisting, this one involves only folding and sculpting with tweezers to form the rose petals, which look really unique and beautiful.

Fold the paper over the diagonal, and then fold the sides towards the center. Wrap the sides (little wings) towards the center like in the picture, and press them together. Open up your two sides on the bottom and allow the paper ends to start detaching. Then fold them out, making a lovely origami tulip! Paper Fairy Ball. Origami can be made of tissue paper too!
