France, but Tsubodai must make a decision that will change the course of history forever.

From the author of the bestselling *The Dangerous Book for Boys* **BONUS:** This edition contains an excerpt from Conn Iggulden's *Conqueror*. The Great Khan is dead—and his vast empire, forged through raw courage, tactical brilliance, and indomitable force, hangs in the balance. Now, with the sons of Genghis Khan maneuvering for supremacy, the very qualities that united the fierce Mongol tribes threaten to tear them apart. Genghis's tough and canny heir, Ogedai, is on the verge of becoming the new Khan. Inexplicably, Ogedai has delayed his coronation to complete a project many deem a folly: the building of Karakorum, a

Online Library Empire Of Silver Conqueror

magnificent city amid the wild plains. His decision emboldens his arrogant brother Chagatai to violently challenge him, leaving their noble sibling Tolui caught between them. Yet even as they clash, the Khan's armies extend his reach farther than ever before, into southern China and across the rugged mountains of Russia to the vulnerable heart of Europe, where the most courageous warriors the West commands await the coming onslaught.

For lovers of thrilling adventure and grand history, the bestselling co-author of the #1 New York Times bestseller *The Dangerous Book for Boys* has written a magnificent novel with a hero for the ages: the legendary, visionary conqueror Kublai Khan. A succession of ruthless men have seized power in

Online Library Empire Of Silver Conqueror

the wake of Genghis Khan's death—all descendants of the great leader, but none with his indomitable character. One grandson, Guyuk, strains the loyalties of the tribes to the breaking point, and another, Mongke, brutally eliminates the opposition and dispatches his younger brothers Kublai and Hulegu to far-flung territories. Hulegu displays his barbarity with the savage destruction of Baghdad and his clash with the Khan's age-old enemies, the cult of assassins. But it is Kublai—refined and scholarly, always considered too thoughtful to take power—who will devise new ways of warfare and conquest as he builds the dream city of Xanadu and pursues the ultimate prize: the ancient empire of Sung China. His gifts will serve him well when an epic civil war breaks out among brothers, the outcome of which

Online Library Empire Of Silver Conqueror

will literally change the world. BONUS: This edition includes an excerpt from Conn Iggulden's *The Blood of Gods*.
"Conqueror is as real as military fiction gets. Conn Iggulden's story of one of history's most ferocious and brilliant warriors is full of lessons for our warfighters today."
Gunnery Sergeant Jack Coughlin, USMC (ret.), New York Times bestselling author of *Shooter and Kill Zone: A Sniper Novel* "A rollicking, dangerous and often very gory gallop through the largest land empire the world has ever known."
Sunday Express (U.K.) "A thrilling journey, rippingly told . . . Iggulden's most satisfying to date."
The Daily Telegraph (U.K.)

From the co-author of *The Dangerous Book for Boys*, the Khan series is a triumph of historical fiction—a bold, epic

Online Library Empire Of Silver Conqueror

account bursting with gritty realism and exhilarating action. Now this eBook bundle assembles the entire series—Birth of an Empire, Lords of the Bow, Bones of the Hills, Empire of Silver, and Conqueror—sparing no detail, from the Great Khan's first conquest and the heights of his unprecedented empire, to his brutal ancestral legacy and the rise of Kublai Khan. **GENGHIS: BIRTH OF AN EMPIRE** —Invigorating . . . zesty historical fiction, the kind with plenty of unbridled combat, accurate research, rampaging hordes and believable characters. —USA Today Genghis Khan was born Temujin, the son of a khan, raised in a clan of hunters and driven by a singular fury: to survive in the face of death, to kill before being killed. Through a series of courageous raids, Temujin's legend grew until he

Online Library Empire Of Silver Conqueror

was chasing a vision: to unite many tribes into one, to make the earth tremble under the hoofbeats of a thousand warhorses, to subject all nations and empires to his will.

courage, tactical brilliance, and indomitable force, hangs in the balance. Even as the sons of Genghis Khan maneuver for supremacy, the Khan's armies extend his reach farther than ever before, into southern China and across the rugged mountains of Russia to the vulnerable heart of Europe, where the most courageous warriors the West commands await the coming onslaught. CONQUEROR "A rip-roarin' read, and inspiration to go and sack a few cities on your own." Kirkus Reviews A succession of ruthless leaders have seized power in the wake of the Great Khan's death—all descendants of Genghis, but none with his indomitable character. It is Kublai—refined and scholarly, always considered too thoughtful to take power—who will devise new ways of

Online Library Empire Of Silver Conqueror

warfare and conquest as he builds the dream city of Xanadu. His gifts will serve him well when an epic civil war breaks out among brothers, the outcome of which will literally change the world.

A remarkable story of heroism and adventure, of a boy who had to become a man too soon, of a family and a tribe who had to learn to win to survive. A man without a tribe was at great risk, so the young boy abandoned with his siblings on the harsh Mongolian plains had to struggle to avoid death. He survived both starvation and hostile attacks by learning remarkable leadership skills and gathering a group of outsiders like himself. Hunted and alone, he dreamed of uniting the tribes into one house, one nation. He became a great

Online Library Empire Of Silver Conqueror

warrior. He would become father to his people. He would be Genghis Khan.

The third novel in Conn Iggulden's 'Conqueror' series, narrates the adventures of the mighty Genghis Khan. The fatherless boy, exiled from his tribe, whom readers have been following in 'Wolf of the Plains' and 'Lords of the Bow', has grown into the great king, Genghis Khan. He has united the warring tribes and even taken his armies against the great cities of their oldest enemies. Now he finds trouble rising west of the Mongolian plains. His emissaries are mutilated or killed; his trading gestures rebuffed. So, dividing his armies, using his sons as generals of the various divisions, he sends them out simultaneously in many directions, ranging as far as modern Iran and

Online Library Empire Of Silver Conqueror

Iraq. As well as discovering new territories, exacting tribute from conquered peoples, laying waste the cities which resist, this policy is also a way of diffusing the rivalries between his sons and heirs and working out who should succeed the khan.

The gathering of the tribes of the Mongols has been a long time in coming but finally, triumphantly, Temujin of the Wolves, Genghis Khan, is given the full accolade of the overall leader and their oaths. Now he can begin to meld all the previously warring people into one army, one nation. But the task Genghis has set himself and them is formidable. He is determined to travel to the land of the long-time enemy, the Chin and attack them there. The distances and terrain- the wide deserts, the impenetrable

Online Library Empire Of Silver Conqueror

mountains-make it a difficult venture even for the legendary Mongolian speed of movement, but the greatest problem is that of the complex fortifications, a way of fighting wars of a settled urban population which the nomadic Mongolians had never come across. Finding ways to tackle that and keeping his tribes together in a strange environment presents another new and exciting challenge for Genghis Khan. Not only must Genghis succeed in this incredible campaign, but he must also reconcile the restless factions among his own generals, mediate between his ambitious brothers and cope with his own reactions to his growing sons. The young warrior has become a notable and victorious military commander of thousands: he must now learn to become a great leader of peoples of

Online Library Empire Of Silver Conqueror

many different races and religions. LORDS OF THE BOW is a deeply satisfying novel. It is epic in scope, convincing, and fascinating in the narration of an extraordinary story. Above all Genghis Khan continues to dominate the scene as he matures from the young boy of Wolf of the Plains to the great Conqueror.

The bestselling book for every boy from eight to eighty, covering essential boyhood skills such as building tree houses*, learning how to fish, finding true north, and even answering the age old question of what the big deal with girls is. In this digital age there is still a place for knots, skipping stones and stories of incredible courage. This book recaptures Sunday afternoons, stimulates curiosity, and makes for great father-son activities. The

Rarely, if ever, does a new writer dazzle us with such a vivid imagination and storytelling, flawlessly capturing the essence of a land, a people, a legend. Conn Iggulden is just such a writer, bringing to vivid life one of the most fascinating eras in human history. In a true masterpiece of historical fiction, Iggulden takes us on a breathtaking journey through ancient

Online Library Empire Of Silver Conqueror

Rome, sweeping us into a realm of tyrants and slaves, of dark intrigues and seething passions. What emerges is both a grand romantic tale of coming-of-age in the Roman Empire and a vibrant portrait of the early years of a man who would become the most powerful ruler on earth: Julius Caesar. On the lush Italian peninsula, a new empire is taking shape. At its heart is the city of Rome, a place of glory and decadence, beauty and bloodshed. Against this vivid backdrop, two boys are growing to manhood, dreaming of battles, fame, and glory in service of the mightiest empire the world has ever known. One is the son of a senator, a boy of privilege and ambition to whom much has been given and from whom much is expected. The other is a bastard child, a boy of strength and cunning, whose

Online Library Empire Of Silver Conqueror

love for his adoptive family—and his adoptive brother—will be the most powerful force in his life. As young Gaius and Marcus are trained in the art of combat—under the tutelage of one of Rome’s most fearsome gladiators—Rome itself is being rocked by the art of treachery and ambition, caught in a tug-of-war as two rival generals, Marius and Sulla, push the empire toward civil war. For Marcus, a bloody campaign in Greece will become a young soldier’s proving ground. For Gaius, the equally deadly infighting of the Roman Senate will be the battlefield where he hones his courage and skill. And for both, the love of an extraordinary slave girl will be an honor each will covet but only one will win. The two friends are forced to walk different paths, and by the time they meet again everything

Online Library Empire Of Silver Conqueror

will have changed. Both will have known love, loss, and violence. And the land where they were once innocent will be thrust into the grip of bitter conflict—a conflict that will set Roman against Roman...and put their friendship to the ultimate test.

Brilliantly interweaving history and adventure, Conn Iggulden conjures a stunning array of contrasts—from the bloody stench of a battlefield to the opulence of the greatest city in history, from the tenderness of a lover to the treachery of an assassin. Superbly rendered, grippingly told, *Emperor, The Gates of Rome* is a work of vaulting imagination from a powerful new voice in historical fiction. From the Hardcover edition.

The saga of ancient Rome and of Julius Caesar comes to a conclusion

Online Library Empire Of Silver Conqueror

as the would-be emperor leads his legions across the Rubicon River to confront his last rival for supreme power, a victory that will split Rome in a destructive civil war, test the bonds of long-time friendship, bring him the love of the Egyptian queen Cleopatra, and lead to the betrayal of his closest ally.
