Financial Accounting: A User Perspective Hoskin Fizzell ...
Libby/Libby/Short wrote this text based on their belief that the subject of financial accounting is inherently interesting, but financial accounting textbooks are often not. They believe most financial accounting textbooks fail to demonstrate that accounting is an exciting field of study and one that is important to future careers in business. When writing this text, they considered career ...

With this in mind, the 6th Edition continues to focus on readability
and student comprehension and takes this a step further in the
managerial chapters by employing a new theme to help students see
how managerial accounting is used as a tool to help all business
people make decisions.
