Performers

Kyra and Chalcy illustrate each trick. Trick training is a great way to bond with your dog, help your dog integrate into your family, and keep him mentally and physically challenged. Includes: beg, bow, say your prayers, fetch the paper, find the remote, and more; also, step-by-step instructions to guide the trainer; troubleshooting tips to solve problems; and "build-on" ideas that encourage taking a mastered skill to the next level.--Publisher's description.

How should firms decide whether and when to invest in new capital equipment, additions to their workforce, or the development of new products? Why have traditional economic models of investment failed to explain the behavior of investment spending in the United States and other countries? In this book, Avinash Dixit and Robert Pindyck provide the first detailed exposition of a new theoretical approach to the capital investment decisions of firms, stressing the irreversibility of most investment decisions, and the ongoing uncertainty of the economic environment in which these decisions are made. In so doing, they answer important questions about investment decisions and the behavior of investment spending. This new approach to investment recognizes the option value of waiting for better (but never complete) information. It exploits an analogy with the theory of options in financial markets, which permits a much richer dynamic framework than was possible with the traditional theory of investment. The authors present the new theory in a clear and systematic way, and consolidate, synthesize, and extend the various strands of research that have come out of the theory. Their book shows the importance of the theory for understanding investment behavior of firms; develops the implications of this theory for industry dynamics and for government policy concerning investment; and shows how the theory can be applied to specific industries and to a wide variety of business problems.

Many people seem to have it all together outwardly, but inside they are a wreck. Their past has broken, crushed, and wounded them inwardly. They can be healed. God has a plan, and Isaiah 61 reveals that the Lord came to heal the brokenhearted. He wants to heal victims of abuse and emotional wounding. Joyce Meyer is a victim of the physical, mental, emotional, and sexual abuse she suffered as a child. Yet today she has a nationwide ministry of emotional healing to others like herself. In *Beauty for Ashes* she outlines major truths that brought healing in her life and describes how other victims of abuse can also experience God's healing in their lives. You will learn: \* How to Deal with the Emotional Pain of Abuse \* How to Understand Your Responsibility to God for Overcoming Abuse \* Why Victims of Abuse Often Suffer from Other Addictive Behaviors \* How to Grab Hold of God's Unconditional Love \* The Importance of God's Timing in Working Through Painful Memories.

In *Focus Tarot* provides the essentials to quickly get you started practicing tarot card reading. Tarot cards and readings have been used since the eighteenth century as a divination tool in seeking answers to past, present, and future events, in addition to guidance and support. Their popularity continues to this day. But how do you start? With *In Focus Tarot*, author Steven Bright breaks down the essentials to get you started right away. Bright first thoroughly explains each of the major and minor arcanas, then presents both traditional and newer tarot card placements (called tarot spreads). He also provides professional tips and tricks to becoming a successful tarot reader. Also included in this edition is a handy wall chart that details each of the 78 tarot cards and their characteristics and associations, as an additional learning tool. The *In Focus* series applies a modern approach to teaching the classic body, mind, and spirit subjects, using expert authors in their respective fields and featuring relevant visual material to smartly and purposely illustrate key topics within each subject. As a bonus, each book is packaged with index cards and/or a poster, to give readers a quick, go-to reference guide containing the most important information on the subject, for easy practice and retention.

Even after Charles and Lizzie Peterson finally have their own puppy, they still foster other dogs and help them find perfect homes. Scout is a gorgeous German shepherd puppy and there are two families are already lined up to adopt her. But when both families end up backing out at the last minute, the Petersons step in once again to save the day. Scout clearly has the skills to be a search-and-rescue dog, but can Charles and Lizzie find her a home that will help her reach her full potential?

From the life line to the heart line, *In Focus Palmistry* gives a comprehensive overview of what our hands are telling us. From analyzing palms, fingers, fingerprints, mounts, and nails, find the hidden strengths and weaknesses within yourself and others. Included inside the back cover is a beautifully illustrated 18 × 24–inch wall chart that gives the key elements about palmistry in one convenient reference. Can your hands unveil your future? Author Roberta Vernon explores this question in the introduction. Each chapter addresses a different aspect of palmistry, including: looking at hands; the life line; the head line; the heart line; the fate line; the Apollo line or sun line; marks, colors, and warts; and skin ridge patterns. With practice, and with *In Focus Palmistry* in hand, you will be able to decipher the following areas: Love and relationships Sexuality Money Business Career Aptitudes and talents Successes and failures Parents and in-laws Children Other people of influence Home and property matters Health Travel Pets The *In Focus* series applies a modern approach to teaching the classic body, mind, and spirit subjects. Authored by experts in their respective fields, these beginner's guides feature smartly designed visual material that clearly illustrates key topics within each subject. As a bonus, each book holds reference cards or a poster, held in an envelope inside the back cover, to give you a quick, go-to guide containing the most important information on the subject.

In *Focus Astrology* provides all you need to know about the characteristics and workings of the zodiac signs, along with instructions on how to create your own astrology chart. Included inside the back cover is a beautifully illustrated 18 × 24–inch wall chart detailing the main characteristics of each astrological sign. Who is your perfect mate? A Capricorn, Libra, or Virgo? Why are you not getting along with your coworker, who is a Gemini? Why are you constantly making the same mistakes? In *Focus Astrology* will give you a deeper understanding of your own nature, as well as those closest to you—and, perhaps, those you should keep at arm's length. This artfully designed guide covers the full breadth of astrology topics, including: The signs of the zodiac The sun and moon signs The astrological houses The planets The aspects Predictive techniques How astrology relates to your body and health The *In Focus* series applies a modern approach to teaching the classic body, mind, and spirit subjects. Authored by experts in their respective fields, these beginner's guides feature smartly designed visual material that clearly illustrates key topics within each subject. As a bonus, each book includes reference cards or a poster, held in an envelope inside the back cover, that give you a quick, go-to guide containing the most important information on the subject. Also available in the *In Focus* series: *In Focus Crystals*, *In Focus Meditation*, *In Focus Palmistry*, *In Focus Tarot*, *In Focus Essential Oils & Aromatherapy*, *In Focus Chakra Healing*, *In Focus Reiki*, *In Focus Numerology*, *In Focus Reflexology*, *In Focus Auras*, *In Focus Sacred Geometry*, and *In Focus Shamanism*.

The *Complete Guide to Self-Care* features 100 accessible activities that help you reconnect with your body, mind, spirit, and surroundings, and leave you feeling refreshed and ready to face the world again. Caring for yourself is far from selfish and self-care is far from a new phenomenon, but it's recently been in the popular vernacular. With screens, work emails on our phones, notifications, and poor boundaries between ourselves and the world around us, taking time and making space for ourselves has become more and more important. Therapy, caring for plants, making your favorite dish...these are all little ways to reclaim parts of yourself that you've lost track of in the daily hustle of life. With encouraging reminders, inspiring thoughts, easy wins, and practical advice, *The Complete Guide to Self-Care* helps you identify your needs so you can relax, refuel, and find calm in your hectic life. This book tells you why mindset is key, how to nourish instead of punish yourself, how to exercise and sleep, and why it is important to go slow sometimes. You live your whole life being you, so why not be your own best friend? *The Complete Guide to Self-Care* is a book for people who need to relax, chill out, or recenter. You'll learn how to achieve this by: Setting an effective and fruitful sleep schedule Creating exercise routines and not feeling bad about falling off the bike Saying no to things you don't want to do (and things that maybe you do but don't have space for) Reading, writing, art, music, and all forms of expression that water our soul Setting aside time that is only for you, no one else, no exceptions Watering yourself and giving yourself proper nutrients In the tumults of our hectic world and your busy life, if you're working toward being emotionally available and hungry for stability, a happier and healthier you is within your grasp.
