THE INSTANT NEW YORK TIMES BESTSELLER. From Kahrán and Regis Bethencourt, the dynamite husband and wife duo behind CreativeSoul Photography, comes GLORY, a photography book that shatters the conventional standards of beauty for Black children. Featuring a foreword by Amanda Seales With stunning images of natural hair and gorgeous, inventive visual storytelling, GLORY puts Black beauty front and center with more than 100 breathtaking photographs and a collection of powerful essays about the children. At its heart, it is a recognition and celebration of the versatility and innate beauty of black hair, and black beauty. The glorious coffee-table book pays homage to the story of our royal past, celebrates the glory of the here and now, and even dares to forecast the future. It brings to life past, present, and future visions of black culture and showcases the power and beauty of recognizing and celebrating oneself. Beauty as an expression of who you are is power. When we define our own standards of beauty, we take back that power. GLORY encourages children around the world to feel that power and harness it.

Dealing with the civil war, this title takes a close look at the battlefield doctors in whose hands rested the lives of thousands of Union and Confederate soldiers. It also examines the impact on major campaigns - Manassas, Gettysburg, Vicksburg, Shiloh, Atlanta - of ignorance, understaffing, inexperience, and overcrowded hospitals.

"This book is a masterpiece. It captures the essence of the Tuskegee Airmen's experience from the perspective of one who lived it. The action sequences make me feel I'm back in the cockpit of my P-51C 'Kitten'! If you want to know what it was like fighting German interceptors in European skies while winning equal opportunity at home, be sure to read this book!" —Colonel Charles E. McSee, USAF (ret.) former president, Tuskegee Airmen Inc. " All Americans owe Harry Stewart Jr. and his fellow airmen a huge debt for defending our country during World War II. In addition, they have inspired generations of African American youth to follow their dreams. " —Henry Louis Gates Jr., Alphonse Fletcher University Professor, Harvard University He had to sit in a segregated rail car on the journey to Army basic training in Mississippi in 1943. But two years later, the twenty-year-old African American from New York was at the controls of a P-51, prowling for Luftwaffe aircraft at five thousand feet over the Austrian countryside. By the end of World War II, he had done something that nobody could take away from him: He had become an American hero. This is the remarkable true story of Lt. Col. Harry Stewart Jr., one of the last surviving Tuskegee Airmen pilots who experienced air combat during World War II. Award-winning aviation writer Philip Handleman recreates the harrowing action and heart-pounding drama of Stewart ' s combat missions, including the legendary mission in which Stewart downed three enemy fighters. Soaring to Glory also reveals the cruel injustices Stewart and his fellow Tuskegee Airmen faced during their wartime service and upon return home after the war. Stewart ' s heroism was not celebrated as it should have been in postwar America—but now, his boundless courage and determination will never be forgotten.

In 1997, Dave Ridpath walked onto the campus of Marshall University as a sports-loving athletic administrator with a career on the rise. Less than five years later, Ridpath's quest to reform one of the most corrupt athletic departments in college sports, while simultaneously standing up to the behemoth governing body that is the NCAA, had all but destroyed that career. While serving as assistant athletic director for compliance and student services at Marshall University from 1997 through 2001, Ridpath unearthed violations of several NCAA rules. These violations included overt academic fraud and impermissible, booster-devised employment for members of the Marshall University football team—a team had taken the nation by storm because of its incredible success on the field. Ridpath now chronicles his experiences through this trying time in Tainted Glory: Marshall University, the NCAA, and One Man's Fight for Justice . Instead of being hailed as a conquering hero determined to clean up an outlaw program, Ridpath had the tables turned on him. He found himself out of a job when Marshall University and the NCAA determined that the path of least resistance would be to remove him rather than address the issues head-on. With this action, they hoped to avoid damaging the university, the athletic department, and the NCAA overall. This story is about more than the NCAA or Marshall University. It is about the state of the business of intercollegiate athletics told by someone on the inside who lived it—the good and the bad.

First published in 1943, this autobiography is also a superb portrait of America's Depression years, by the folk singer, activist, and man who saw it all. Woody Guthrie was born in Oklahoma and traveled this whole country over—not by jet or motorcycle, but by boxcar, thumb, and foot. During the journey of discovery that was his life, he composed and sang words and music that have become a national heritage. His songs, however, are but part of his legacy. Behind him Woody Guthrie left a remarkable autobiography that vividly brings to life both his vibrant personality and a vision of America we cannot afford to let die. " Even readers who never heard Woody or his songs will understand the current esteem in which he ' s held after reading just a few pages... Always shockingly immediate and real, as if Woody were telling it out loud... A book to make novelists and sociologists jealous. " —The Nation

Selected from sermons delivered by C. S. Lewis during World War II, these nine addresses offer guidance and inspiration in a time of great doubt.These are ardent and lucid sermons that provide a compassionate vision of Christianity.

Sailing the Stratoin oceans on her coming-of-age apprenticeship, Maia, a half-caste var, endures hardship, hunger, imprisonment, loneliness, battle, separation from her twin sister, and a rendezvous with a threatening long-distance traveler. By the author of Sundiver, Reprint.

On September 17, 1862, the United States was on the brink, facing a permanent split into two separate nations. America's very future hung on the outcome of a single battle-and the result reverberates to this day. Given the deep divisions that still rive the nation; given what unites the country, too. Antietam is more relevant now than ever. The epic battle, fought near Sharpsburg, Maryland, was a Civil War turning point. The South had just launched its first invasion of the North, victory for Robert E. Lee would almost certainly have ended the war on Confederate terms. If the Union prevailed, Lincoln stood ready to issue the Emancipation Proclamation. He knew that freeing the slaves would lend renewed energy and lofty purpose to the North's war effort. Lincoln needed a victory to save the divided country, but victory would come at a price. Detailed here is the cannon-din and desperation, the horrors and heroes of this monumental battle, one that killed 3,650 soldiers, still the highest single-day toll in American history. Martin, an acclaimed writer of narrative nonfiction, renders this landmark event in a revealing new way. More than in previous accounts, Lincoln is laced deeply into the story. Antietam represents Lincoln at his finest, as the grief-racked president, struggling with the recent death of his son, Willie-summoned the guile necessary to manage his reluctant general, George McClellan. The Emancipation Proclamation would be the greatest gambit of the nation's most inspired leader. And, in fact, the battle's impact extended far beyond the field; brilliant and lasting innovations in medicine, photography, and communications were given crucial real-world tests. No mere gunfight, Antietam rippled through politics and society, transforming history. A Fierce Glory is a fresh and vibrant account of an event that had enduring consequences that still resonate today.
