Grade 12 Mathematics | Mindset Learn
Grade 12 Maths Lessons; Video: Description: Lesson 1: Sequences and Series In this lesson on Sequences and Series we focus on quadratic sequences, arithmetic sequences, geometric sequences and simultaneous equations. Lesson 2: Sequences and Series: Sigma Notation and Sum to infinity

This book, Teaching Learners with Visual Impairment, focuses on holistic support to learners with visual impairment in and beyond the classroom and school context. Special attention is given to classroom practice, learning support, curriculum differentiation and assessment practices, to mention but a few areas of focus covered in the book. In this manner, this book makes a significant contribution to the existing body of knowledge on the implementation of inclusive education policy with learners affected by visual impairment.

Each book in this series provides a variety of motivating, interactive activities to help young students master concepts and content. The "cut and paste" format allows students to try a variety of possibilities before gluing down their final answers.
