WINNER OF THE FORTNUM & MASON'S DEBUT FOOD BOOK AWARD 'A tender and beautifully written tour-de-force on love, grief, hope and cake. If this is not the book of the summer, I will eat my wig. An absolute triumph' THE SECRET BARRISTER 'An utterly beautiful, moving, bittersweet book on love and loss. I loved it' DOLLY ALDERTON \_\_\_\_\_ At the moment her mother died, Olivia Potts was baking a cake, badly. She was trying to impress the man who would later become her husband. Afterwards, grief pushed Olivia into the kitchen. She came home from her job as a criminal barrister miserable and tired, and baked soda bread, pizza, and chocolate banana cake. Her cakes sank and her custard curdled. But she found comfort in jams and solace in pies, and what began as a distraction from grief became a way of building a life outside grief, a way of surviving, and making sense of her life without her mum. And so she concocted a plan: she would begin a newer, happier life, filled with fewer magistrates and more macarons. She left the bar and enrolled on the Dipl\u00f4me de P\u00e2tisserie at Le Cordon Bleu, plunging headfirst into the eccentric world of patisserie, with all its challenges, frustrations and culinary rewards - and a mind-boggling array of knives to boot. Interspersed with recipes ranging from passionfruit pavlova to her mother's shepherd's pie, this is a heart-breaking, hilarious, life-affirming memoir about dealing with grief, falling in love and learning how to bake a really, really good cake. \_\_\_\_\_ 'Moving, funny and mouth-watering in equal measure - a difficult literary confection to master' Guardian 'There is wit and warmth on every page. This is a book of courage, consolation and more custard than you can shake a whisk at' Laura Freeman, Times 'A love story, with sadness, humour and tension. Uplifting' Prue Leith, Spectator 'A brilliant, brave and beautiful book: funny and charming; utterly inspiring and life-affirming' Olivia Sudjic 'A heart-wrenching yet humorous portrayal of grief, a delicious collection of recipes, an inspirational tale of changing careers, and a feel good love story' Vogue 'An honest, brave and funny account of what it is to love, to lose love and how to make macarons' Red

Love can happen anywhere, with anyone... Kabir Thapar is the spoilt son of a rich capitalist in Mumbai. His mother's sudden death scars him for life, leaving him at loggerheads with his father who finds himself a new wife in no time. As Kabir embarks on a downward spiral of alcohol and drugs, he, on one ill-fated day, finds himself embroiled in a hit-and-run case. Making a quick escape, Kabir ends up in a red-light area, where he meets Sehar, a sex worker. As he falls head over heels for her, he must own up to the one emotion he has been running away from all his life—love. From the bestselling author of A Half-baked Love Story comes a story that perfectly weaves together the explosive passion between Kabir and Sehar, the contradictions of 'modern' India, and the inevitable tragedy that befalls its lovers.

Whether you need to get dinner on the table for your family tonight or are planning your next get-together with friends, Half Baked Harvest Cookbook has your new favorite recipe. Tieghan Gerard grew up in the Colorado mountains as one of seven children. When her dad took too long to make dinner every night, she started doing the cooking—at age 15. Ever-determined to reign in the chaos of her big family, Tieghan found her place in the kitchen. She had a knack for creating unique dishes, which led her to launch her blog, Half Baked Harvest. Since then, millions of people have fallen in love with her fresh take on comfort food, stunning photography, and charming life in the mountains. While it might be a trek to get to Tieghan's barn-turned-test kitchen, her creativity shines here: dress up that cheese board with a real honey comb; decorate a standard salad with spicy, crispy sweet potato fries; serve stir fry over forbidden black rice; give French Onion Soup an Irish kick with Guinness and soda bread; bake a secret ingredient into your apple pie (hint: it's molasses). And a striking photograph accompanies every recipe, making Half Baked Harvest Cookbook a feast your eyes, too.

Chip Honeycutt has a girly name. That's not the problem; his real problem is hiding the fact that his family owns a bakery. And that he LOVES to bake. What will happen when a new guy comes along and finds out his secret? Will he tell everyone? Or will he keep it?

Alexis gets a taste of sibling rivalry in the latest addition to the Cupcake Diaries series. After Alexis receives a stack of "practical" birthday gifts, she decides it's time to change her image. She wants to be more like her carefree, popular older sister, Dylan. So, she tries out for cheerleading, without really thinking about what that entails. Not only that, Dylan was a star on her cheerleading squad, so all Alexis hears is "Dylan, Dylan, Dylan!" It's time for Alexis to stop comparing herself to her sister and find her own special talent.

A blazingly funny, heartfelt memoir from the daughter of the larger-than-life woman who ran Sticky Fingers Brownies, an underground bakery that distributed thousands of marijuana brownies per month and helped provide medical marijuana to AIDS patients in San Francisco--for fans of Armistead Maupin and Patricia Lockwood During the '70s in San Francisco, Alia's mother ran the underground Sticky Fingers Brownies, delivering upwards of 10,000 illegal marijuana edibles per month throughout the circus-like atmosphere of a city in the throes of major change. She exchanged psychic readings with Alia's future father, and thereafter had a partner in business and life. Decades before cannabis went mainstream, when marijuana was as illicit as heroin, they ingeniously hid themselves in plain sight, parading through town--and through the scenes and upheavals of the day, from Gay Liberation to the tragedy of the Peoples Temple--in bright and elaborate outfits, the goods wrapped in hand-designed packaging and tucked into Alia's stroller. But the stars were not aligned forever and, after leaving the city and a shoulda-seen-it-coming divorce, Alia and her mom returned to San Francisco in the mid-80s, this time using Sticky Fingers' distribution channels to provide medical marijuana to friends and former customers now suffering the depredations of AIDS. Exhilarating, laugh-out-loud funny, and heartbreaking, Home Baked celebrates an eccentric and remarkable extended family, taking us through love, loss, and finding home.
