Buy Inventing George Washington: America's Founder, in ...

Thus began the extraordinary immortalization of this towering historical figure. In Inventing George Washington, historian Edward G. Lengel shows how the late president and war hero continued to serve his nation on two distinct levels. The public Washington evolved into an eternal symbol as Father of His Country, while the private man remained at the periphery of the national vision—always just out of reach—for successive generations yearning to know him as never before.
