In 1929, 13 world records were set on "Sea Horse"! Rapidly developing, the production of outboard motors has evolved from a small family-owned company into a global high-tech industry. In September 1936, an important event in the history of engine building took place: the Johnson Brothers' company merged with the company of Evinrud , creating an unrivaled empire.

Your Johnson Evinrude model number is
the key to finding the correct parts for
your outboard motor. Model numbers are
usually found on an ID tag on the
mounting bracket. The model number will
also help determine the "model year" of
your motor. See our model number guides
for help. Outboard Parts Inventory
