The law of sacrifice says that you cannot get something you want, without giving up something in return. In order to attain something you believe is of greater value, you must give up something you believe is of lesser value. Society today tries to deny the law of sacrifice at every turn, promising people that they can fulfill their desires without having to forsake anything at all.

The essence of sacrifice is to bring a person closer to G-d. For the most part, the practice of sacrifice stopped in the year 70 C.E., when the Roman army destroyed the Second Temple in Jerusalem, the place where sacrifices were offered. The practice was briefly resumed during the Jewish War of 132-135 C.E., but was ended permanently after that ...
