Seniors & Medicare and Medicaid Enrollees | Medicaid

Medicaid eligibility for individuals 65 and older or who have blindness or a disability is generally determined using the income methodologies of the SSI program administered by the Social Security Administration (some states, known as 209(b) states, use certain more restrictive eligibility criteria than SSI, but still largely apply SSI methodologies).

Eligibility | Medicaid

Income Requirements for New York Medicaid. The income requirements for Medicaid are based on various resource levels for the state. For example, the income requirements for people who are over the age of 65, blind, or otherwise disabled are different than they are for people who are single or who are married but without any children.
