This unique book is an exploration of Christianity alongside Jewish guides who are well-studied in and sympathetic to Christianity, but who remain “near Christianity.” Reflecting on his journeys within biblical studies and contemporary Jewish-Christian dialogue, Anthony Le Donne illustrates not only the value but also the necessity of continued Jewish friendship for the Christian life. With the help of Jewish friends and mentors, he presents a deeper and more complex Christian faith, offering readers a better vision of the beauty and genius of Christianity, but also an honest look at its warts and failings. Weaving his own story and personal

conversations with Jewish friends, Le Donne, a respected scholar and published author, models how his fellow Christians can avoid blurring the differences between Christianity and Judaism on the one hand and exaggerating them on the other.

An approachable book about Judaism designed to help young children understand differences between religions and how it manifests itself in the lives of other children around the world

In the tradition of *The Year of Living Biblically* by A.J. Jacobs and *Walking the Bible: A Journey by Land Through the Five Books of Moses* by Bruce Feiler comes Abigail Pogrebin's *My Jewish Year*, a lively chronicle of the author's journey into the spiritual heart of Judaism. Although she grew up following some holiday rituals, Pogrebin realized how little she knew about their foundational purpose and contemporary relevance; she wanted to understand what had kept these holidays alive and vibrant, some for thousands of years. Her curiosity led her to embark on an entire year of intensive research, observation, and writing about the milestones on the religious calendar. Whether in search of a roadmap for Jewish life or a challenging probe into the architecture of Jewish tradition, readers will be captivated, educated and inspired by Abigail Pogrebin's *My Jewish Year*.

This volume delineates the link between Judaism and Christianity, between Old and

the New Testaments, and calls Christians to reexamine their Hebrew roots so as to effect a more authentically biblical lifestyle.

"Years ago I exposed myself to the possibility that Judaism might have great truths to offer, and Chever Torah (Jewish Bible study) rewarded my open mind with radical improvements in the way I live and view my Christian faith." -from the Introduction After he spent five years attending Chever Torah, Athol Dickson found his faith radically changed-the result being a deeper relationship with God. In beautiful and simple language, The Gospel according to Moses illustrates Dickson's journey of faith exploring some of the primary theological differences and similarities between Christianity and Judaism. He draws generously on both Old and New Testament scriptures, looking at Christian and Jewish perspectives on topics such as suffering, grace vs. works, and the place of Jesus in the Hebrew Scriptures.

- Bestseller revision to be released in time for confirmation season and in advance of the 2015 General Convention of the Episcopal Church
- Includes study guide questions; a new print companion Leader's Guide sold separately
- Foreword by Dr. Lisa Kimball, Virginia Theological Seminary

This revised edition of the best-selling 2006 title now includes end-of-chapter questions for the readers as well as updated material sprinkled throughout to reflect what has occurred in the past 10-years in the church and world. The Five Marks of Mission and what it means to be a disciple of Christ will be a focus of this new version, which also models student-centered learning as opposed to teacher-driven instruction. For teen study and confirmation preparation, this book can serve as a curriculum for helping teens discover Scripture, church history, sacraments, the meaning and practice of prayer, and what ministry means in the lives of real teens today. A framework for small-group gatherings for each chapter is included as a new section in the back of the book.
