Text Processing (Business Professional)

Following the withdrawal of the Text Processing units in 2017, learners taking Administration (Business Professional) will still be able to use any prior achievement of Text Processing units for certification. This qualification offers an introduction to routine administrative practice. It provides accreditation for the key knowledge, skills and understanding that would be needed by a new employee in an administrative job role.

Vocational Qualifications (OCF) - Administration (Business ...

Text Processing (Business Professional) is a separate suite of qualifications and any centres wishing to offer these units must be approved to run these qualifications separately from their approval to run the Administration (Business Professional) suite. All Text Processing (Business Professional) units must be entered and paid for separately.

First, download Office OCR from the App Store and install it on your iDevice. Permit to access your camera and follow the following step-by-step guide to scan a paper document then edit it with Word for iOS. Step 1: From the Microsoft lens OCR, navigate over the selector dial above the shutter button and select "Document". Then point the camera on your iDevice towards the document with as clear of a shot of the text as possible, and watch carefully as Office lens OCR frames the document.
