Semantics: the meaning of words and sentences in, editor(s) Keith Allan , The Routledge Handbook of Linguistics, London, Routledge ...

John Saeed : Trinity Research - Trinity College Dublin

John I. Saeed's Semantics (now in its second edition) is an introductory text book. It is a general and broad introduction to some of the central ideas of semantics and also some of the most important semanticists. It assumes no knowledge of semantics, but a general idea of linguistics and its subdisciplines, e.g. syntax, morphology, phonology, etc. is helpful.
