A quintet of holiday romances, all set on Christmas Eve, features the contributions of five award-winning Regency romance authors--Nancy Butler, Diane Farr, Allison Lane, Edith Layton, and Barbara Metzger. Original.

"I'm Sebastian, Lord St. Vincent. I can't be celibate. Everyone knows that." Desperate to escape her scheming relatives, Evangeline Jenner has sought the help of the most infamous scoundrel in London. A marriage of convenience is the only solution. No one would have ever paired the shy, stammering wallflower with the sinfully handsome viscount. It quickly becomes clear, however, that Evie is a woman of hidden strength—and Sebastian desires her more than any woman he's ever known. Determined to win her husband's elusive heart, Evie dares to strike a bargain with the devil: If Sebastian can stay celibate for three months, she will allow him into her bed. When Evie is threatened by a vengeful enemy from the past, Sebastian vows to do whatever it takes to protect his wife ... even at the expense of his own life. Together they will defy their perilous fate, for the sake of all-consuming love.

Scarlet Ribbons by Lyn Stone Captain Alexander Napier is battle scarred—from war and from life. For him, yuletide is just a reminder of all that he's lost. Can enchanting Amalie Harlowe restore light into the festive season...and reignite the passion in his heart? Christmas Promise by Carla Kelly Now that peace has broken out, Captain Jeremiah Faulk is at odds over what to do this Christmas, let alone with his life. Until a simple act of charity reunites him with his lost love—Ianthe Mears. A Little Christmas by Gail Ranstrom Tending to a houseful of grieving relatives isn't Viscount Selwick's idea of a merry Christmas. But one stolen kiss under the mistletoe with spirited Sophia Pettibone is about to change everything!

A magical collection of Regency romances follows five unlikely couples as they get a special gift during the holidays, and includes Amanda McCabe's *Upon a Midnight Clear*, in which a scarred naval captain finds his life forever changed when he encounters a woman rumored to be a witch. Original.

Finding her father's wealth a dubious blessing, Eleanor Transome nonetheless agrees to become engaged to Lord Randolph Falloden, an arrogant earl who is unable to resist the lure of cold cash.

Five popular romance authors celebrate the Christmas holidays Regency style in an anthology of heartwarming tales, including "The Solid Silver Chess Set" by Sandra Heath, Carla Kelly's "No Room at the Inn," Edith Layton's "The Amiable Miser," "A Partridge in a Pear Tree" by Amanda McCabe, and Barbara Metzger's "A Home for Hannah." Original.

In *Joy to the World*, three popular authors come together to offer a heartwarming collection of holiday Regency romance. Based on lines from a beloved Christmas carol, these three novellas in one book have depth, faith, and satisfying stories all packed into the perfect length for readers to curl up and take a brief break from their holiday busyness. "Heaven and Nature Sing" by Carolyn Miller Two music lovers, deeply devoted to each other, were on the brink of engagement when family circumstances drove them apart. How can they ever overcome their obligations and fears to find their way back into each other's arms? "Far as the Curse is Found" by Amanda Barratt One winter night, a woman struggling to provide for her illegitimate child encounters a scarred veteran of the Napoleonic Wars on the streets of London. Can love conquer the darkness of two broken pasts? "Wonders of His Love" by Erica Vetsch A Scots portrait painter with a hidden identity finds work at a noble manor house over the holidays. He never imagined he'd fall in love with the emotionally frozen widow there. Now he wants nothing more than to thaw her heart.

Even a lone wolf must one day claim his mate. I expected what I came for in Wallachia: a job as a governess and a fresh beginning, far away from all that tormented me in England. Instead, I found a sinister manor house with secrets lurking down every dim corridor. Eerie, erotic nightmares plague my sleep—inspired, no doubt, by tales of the village's mystical guardians and my darkly handsome employer. Ioan Marcu is as enigmatic as the lands where he and his daughter make their home. The locals say that he is cursed, that he is behind the questionable circumstances of his first wife's death. But I feel an almost supernatural pull toward him, despite the wall of solitude he's built around himself. Our passion has reached a fever pitch, and I know we must confront the consequences of our lust. For Ioan is no normal man, and I may just be the key to his powers' full potential. This book is approximately 43,000 words One-click with confidence. This title is part of the Carina Press Romance Promise: all the romance you're looking for with an HEA/HFN. It's a promise!
