The second book in a big, breathtaking new trilogy that blends fantasy, romance, horror, and pulse-pounding action, from #1 New York Times bestselling author Kelley Armstrong. Sisters Moria and Ashyn are the Keeper and Seeker of Edgewood. Or at least, they were. Their village is gone. Their friends have betrayed them. And now, they are all but prisoners in court, forced to watch and wait while the Emperor decides whether to help the children of Edgewood, who remain hostages of the treacherous Alvar Kitsune. But when the emperor finally sends the girls on a mission to rescue the children--accompanied by Prince Tyrus and a small band of men--the journey proves more perilous than any of them could have imagined. With lies and unrest mounting in the empire, Moria and Ashyn will have to draw on every bit of influence and power they possess to unite their people and avert an all-out war.

Perfect for fans of Graceling and Game of Thrones, this is the breathtaking conclusion to the Age of Legends trilogy--from #1 New York Times bestselling author Kelley Armstrong. The empire rests on the edge of a knife, and sisters Ashyn and Moria are the handle and the blade. Desperate to outmaneuver the evil Alvar Kitsune, whose

hold on the people grows stronger every day, Emperor Tatsu begs Moria to put aside past grievances and ally with Gavril—at least long enough to make an attempt on Alvar's life. Meanwhile, reunited with her long-lost grandfather, Ashyn discovers that she is the key to a ritual that could reawaken an ancient dragon and turn the tide of the coming battle in their favor. But with lies and betrayal lurking around every corner, Ashyn and Moria will have to decide once and for all where their allegiances lie. And it may not be where their hearts would lead them. . . . In this third and final book in her epic and enchanting trilogy, #1 New York Times bestselling author Kelley Armstrong blends fantasy, action, and romance to give readers the unforgettable ending they've been waiting for.

A tale of heroes, filled with mythological creatures, valor and self-sacrifice--fans of high fantasies will happily slip into this action-packed and exciting tale.' - Justine Magazine 'Armstrong smoothly switches from her customary modern paranormal setting to a high-fantasy adventure. Strong female protagonists make this trilogy opener a standout.' - Kirkus Reviews In the Forest of the Dead, where the empire's worst criminals are exiled, twin sisters Moria and Ashyn are charged with a dangerous task. The gods have been proven mortal and new heroes will arise as the battle continues in the sequel to *Age of Myth*—from the author of the *Riyria Revelations* and *Riyria Chronicles* series. In *Age of Myth*, fantasy master Michael J. Sullivan launched readers on an epic journey of magic and adventure, heroism and betrayal, love and loss. Now the thrilling saga continues as the human uprising is threatened by powerful enemies from without—and bitter rivalries from within. Raithe, the God Killer, may have started the rebellion by killing a Fhrey, but long-standing enmities dividing the Rhunes make it all but impossible to unite against the common foe. And even if the clans can join forces, how will they defeat an enemy whose magical prowess renders them indistinguishable from gods? The answer lies across the sea in a faraway land populated by a reclusive and dour race who feel nothing but disdain for both Fhrey and mankind. With time running out, Persephone leads the gifted young seer Suri, the Fhrey sorceress Arion, and a small band of misfits in a desperate search for aid—a quest that will take them into the darkest depths of Elan. There, an ancient adversary waits, as fearsome as it is deadly. Magic, fantasy, and mythology collide in Michael J. Sullivan's *Legends of the First Empire* series: *AGE OF MYTH* • *AGE OF SWORDS* • *AGE OF WAR*

“A perfect pick for kids who love Rick Riordan.” —Booklist (starred review) “A winner for all kids, but it will be especially loved by Latinx and Hispanic families.” —Kirkus Reviews (starred review) The *Lightning Thief* meets the *Story Thieves* series in this middle grade fantasy inspired by Hispanic folklore, legends, and myths from the Iberian Peninsula and Central and South America. Charlie Hernández has always been proud of his Latin American heritage. He loves the culture, the art, and especially the myths. Thanks to his abuela's stories, Charlie possesses an almost encyclopedic knowledge of the monsters and ghouls who have spent the last five hundred years haunting the imaginations of children all across the Iberian Peninsula, as well as Central and South America. And even though his grandmother sometimes hinted that the tales might be more than mere myth, Charlie's always been a pragmatist. Even barely out of diapers, he knew the stories were just make-believe—nothing more than intricately woven fables meant to keep little kids from misbehaving. But when Charlie begins to experience freaky bodily manifestations—ones all too similar to those described by his grandma in his favorite legend—he is suddenly swept up in a world where the mythical beings he's spent his entire life hearing about seem to be walking straight out of the pages of Hispanic folklore and into his

life. And even stranger, they seem to know more about him than he knows about himself. Soon, Charlie finds himself in the middle of an ancient battle between La Liga, a secret society of legendary mythological beings sworn to protect the Land of the Living, and La Mano Peluda (a.k.a. the Hairy Hand), a cabal of evil spirits determined to rule mankind. With only the help of his lifelong crush, Violet Rey, and his grandmother's stories to guide him, Charlie must navigate a world where monsters and brujas rule and things he couldn't possibly imagine go bump in the night. That is, if he has any hope of discovering what's happening to him and saving his missing parents (oh, and maybe even the world). No pressure, muchacho.

In a dark future, when North America has split into two warring nations, 15-year-olds Day, a famous criminal, and June, the brilliant soldier hired to capture him, discover that they have a common enemy. P. Putnam's Sons.

Kelley Armstrong's New York Times bestselling Darkest Powers trilogy is collected here for the first time! The Summoning: Chloe is locked up in Lyle House, a "special home" for troubled teens. Yet the home isn't what it seems. There is definitely more to Chloe's housemates than meets the eye. The question is, whose side are they on? It's up to her to figure out the dangerous secrets behind Lyle House . . . before its skeletons come back to haunt her. The Awakening: Chloe Saunders is a living science experiment--not only can she see ghosts, but she was genetically altered by a sinister organization called the Edison Group. She's a teenage necromancer whose powers are out of control, which means she can raise the dead without even trying. Now Chloe's running for her life with three of her supernatural friends--a charming sorcerer, a cynical werewolf, and a disgruntled witch--and they have to find someone who can help them before the Edison Group catches them. The Reckoning: Chloe Saunders's life is not what you would call normal. First of all, she can't figure out how she feels about a certain antisocial werewolf or his charming brother--who just happens to be a sorcerer. Then there's the fact that she's running for her life from an evil corporation that's trying to kill her and her supernatural friends. And finally, she's a genetically altered necromancer who can raise the dead, rotting corpses and all, without even trying. But Chloe has a plan. And the end is very near.
