A play date goes awry when Baby Billy and his mustache meet Beard Baby in this hilarious sequel to Mustache Baby.

When Baby Billy is born with a mustache, his family takes it in stride. They are reassured when he nobly saves the day in imaginary-play sessions as a cowboy or cop and his mustache looks good-guy great. But as time passes, their worst fears are confirmed when little Billy's mustache starts to curl up at the ends in a suspiciously villainous fashion. Sure enough, "Billy's disreputable mustache led him into a life of dreadful crime." Plenty of tongue-in-cheek humor and cartoonish illustrations make this the perfect baby-shower gift for a mustachioed father-to-be.

When a shiny, beautiful stranger catches Robot's eye, he knows she's the one. He thinks about her all the time. He even makes her a gift. But will he be able to keep his circuits from overheating and work up the courage to talk to her? T. L. McBeth's Robot in Love spins a funny and heartwarming story of love—perfect for sharing at Valentine's!

T. L. McBeth's Randy, the Badly Drawn Horse is the hilarious picture book tale of a child's illustrated creation who (never having seen himself) thinks he's extraordinarily beautiful. Randy knows he's a beautiful horse—everyone says so. From his silky coat to his perfect smile to his very name, reserved only for the most special of creatures, Randy is beyond compare. This laugh-out-loud picture book plays with expectations and takes you inside a child's imaginary world, through construction-paper mountains, popsicle-stick forests, and sandpaper deserts. Readers are sure to fall for this maybe-not-so-beautiful but wholly endearing character.

Follow this mischievous dinosaur as he frolics, rollicks, frisks and romps. Each colorful page introduces simple synonyms and a fun-filled way to build vocabulary and word recognition. Ages 3 to 7 years Colour illustrations

Have you ever wanted to be a pirate? To sail the high seas in search of adventure—and maybe some buried treasure? Well, writer Bridget Heos and illustrator Daniel Duncan welcome you aboard Captain Parrot's pirate ship! Captain Parrot is here to tell you about the life of a real swashbuckler from the Golden Age of Piracy (1650-1730). From danger to the doldrums, Who Wants to Be a Pirate? has all the need-to-know facts. And don't worry about walking the plank—strap in for fun and join Captain Parrot's pirate crew!

When a boy being chased through present-day London seeks refuge in the National Gallery, a dog escapes from the painting of one Dutch master and together they leap into the painting of another, where their adventures in 17th-century Delft are a prelude to returning to London and continuing the chase.

A determined elephant creates his own book box and discovers all the magic and fun of books and reading.
