in certain inflexible ways, while Superflex comes along and helps you to think it more flexible ways.

Amazon.co.uk:Customer reviews: Superflex... A Superhero ...

Social rules are created, communicated and changed in verbal and nonverbal ways. Social Thinking is a way to train your brain to help you figure out the people around you- what they may be thinking, how that compares to what you're thinking, and how to vary your actions based on what you and other people are thinking.

Superflex, A Superhero
Social Thinking Curriculum
is a "curriculum that can
provide a teaching tool to
help children learn about
their social behavior and
strategies on how to
regulate it". A great
precursor to this book is
You are a Social Detective.
