The Supernatural Book of Monsters, Spirits, Demons, and Ghouls

The Supernatural Book of Monsters, Spirits, Demons and Ghouls is quite interesting. It's put together by the same guy who later put together John Winchester's Journal. It's not as fun as that, since it's mostly just information about the monsters (et al) that they encounter in canon.

various supernatural beings the boys have encountered, mainly giving a summary of the events in canon, sometimes fleshing it out with background information, often in the form of texts from John's Journal. These texts taken from John's journal are more coherent than the ones used on the show and more understandable.

A ghouls is an undead supernatural being
originating from Arabian folklore. A ghouls or
gh?l (which translated from Arabic means
"demon") is known to inhabit cemeteries or
other types of burial grounds; in lore they
are known for preying on young children,
drinking blood, stealing coins, and most
famously consuming the flesh of the dead.
