The Chronoth is an even more thrilling and suspenseful time travel adventure than the first. The Chronoth is a marathon, a race through time, offering contestants challenges and with a generous award for the winner. But the contestants only learn as the race is in progress that they 've been duped and the race is "fixed."

The Chronoth is part of a book series that includes In Times Like These, however, either book can be enjoyed independently. Some of the time travel terms and methods used in The Chronoth are explained more thoroughly in In Times Like These, but in the interest of the story, I have opted to not spend as much time on explanations in this novel. Instead, I have included a glossary located at the end of this book to aid readers whenever the twists and turns of temporal travel threaten to ...
