This revised edition of The Collected Works of St. John of the Cross was produced to mark the fourth centenary of the death of St. John of the Cross (1542 – 1591). The result is an English translation of his writings that preserves the authentic meaning of the great mystic 's writings, presents them as clearly as possible, and at the same time gives the reader the doctrinal and historical information that will lead to a deeper understanding and appreciation of the teachings of the Mystical Doctor. Included in The Collected Works are St. John 's poetry, The Ascen of Mount Carmel, The Dark Night, The Spiritual Canticle, and The Living Flame of Love, as well as his extant letters and other counsels. More Information: In addition to the respective page listings in the contents, this new edition features gray page tabs that separate the individual works, enabling the reader to more easily locate a desired section of the book. ComPLEMENTING St. John 's writings are a comprehensive General Introduction for the entire work, as well as brief, enlightening introductions for each specific work, explaining theme and structure. These are enhanced by new and expanded footnotes, a glossary of terms, and general and scriptural indices. About the Translators Kieran Kavanaugh, O.C.D.
