Meantime, returning to The Italian Wife it's clear that Kate Furnivall does first-class research. My own research confirmed that under fascist Mussolini, five new towns were built between 1932 and 1939 on the Pontine Plain, southwest of Rome, and that by 1933 upwards of 124,000 labourers were engaged in draining the marshes, and constructed some 10,000 miles of ditches and canals.

The Italian Wife By Kate Furnivall | Used - Very Good ...

The Italian Wife is a wonderful and gripping book about a woman's obsession with the death of her husband and attempted murder of herself. I was gripped by the descriptions of life with all its violence and hypocrisy under Mussolini even though his vision created new towns on marshes which had previously been impossible to inhabit.

The Italian Wife: 'Breathtaking historical fiction' The ...

In The Italian Wife she writes of a time in history which is well-documented but manages to give it a personal flavour which will stay long in the heart of the reader. Her settings are vivid and lively, her characters are deftly drawn and she deals with the major topics of betrayal, loyalty, love and loss with a light and compassionate touch.

## Where To Download The Italian Wife Breathtaking Historical Fiction The Times

The New York Times bestselling author of *The Russian Concubine* returns with a stunning new novel set in Mussolini's Italy. Isabella Berotti is an architect, helping to create showpieces that will reflect the glory of her country's Fascist leaders. She is not a deeply political sort, but designing these buildings of grandiose beauty helps her forget about the pain she's felt since her husband was murdered years ago. One of her greatest accomplishments is the clock tower in the town of Bellina, outside Rome. But as she is admiring it one day, a woman approaches her, asking her to watch her ten-year-old daughter. Minutes later, to Isabella's horror, the woman leaps to her death from that very clock tower. There are photos of the woman right after the suicide, taken by Roberto Falco. A propaganda photographer for Il Duce, he is expected to show his nation in the most flattering light. But what Roberto and Isabella have seen reflects a more brutal reality, and in a place where everyone is watching and friends turn on friends to save themselves, their decision to take a closer look may be a dangerous mistake.

From the best-selling author of *The Obituary Writer*, the stirring multigenerational story of an Italian-American family. *An Italian Wife* is the extraordinary story of Josephine Rimaldi—her joys, sorrows, and passions, spanning more than seven decades. The novel begins in turn-of-the-century Italy, when fourteen-year-old Josephine, sheltered and naive, is forced into an arranged marriage to a man she doesn't know or love who is about to depart for America, where she later joins him. Bound by tradition, Josephine gives birth to seven children. The last, Valentina, is conceived in passion, born in secret, and given up for adoption. Josephine spends the rest of her life searching for her lost child, keeping her secret even as her other children go off to war, get married, and make their own mistakes. Her son suffers in World War One. One daughter struggles to assimilate in the new world of the 1950s American suburbs, while another, stranded in England, grieves for a lover lost in World War Two. Her granddaughters experiment with the sex, drugs, and rock-and-roll in the 1970s. Poignant, sensual, and deeply felt, *An Italian Wife* is a sweeping and evocative portrait of a family bound by love and heartbreak.

This carefully crafted ebook: "The Amazing History of England - Children's Book with Original Illustrations" is formatted for your eReader with a functional and detailed table of contents. *A Child's History of England* is a history book written for children. Dickens dedicated the book to "My own dear children, whom I hope it may help, bye and bye, to read with interest larger and better books on the same subject". The history covers the period between 50 BC and 1689, ending with a chapter summarizing events from then until the accession of Queen Victoria. Charles Dickens (1812-1870) was an English writer and social critic. He created some of the world's best-known fictional characters and is regarded as the greatest novelist of the Victorian era. His works enjoyed unprecedented popularity during his lifetime, and by the twentieth century critics and scholars had recognized him as a literary genius. His novels and short stories enjoy lasting popularity.

1. England from the ancient times, to the death of King John -- 2. England from the reign of Henry the Third, to the reign of Richard the Third -- 3. England from the reign of Henry the Seventh to the Revolution of 1688.

*A Child's History of England* is a book by Charles Dickens. It first appeared in serial form in *Household Words*, running from 25 January 1851
