Antiquity. Perhaps the first recorded merman was the early Babylonian sea-god Ea, whose Sumerian Enki, and was known to the Greeks as Oannes. Oannes had a fish head and man's head beneath, and both a fish tail and man like legs, according to Berossus. The fish god Dagon of the Philistines, with a fish-tailed body, may derive its origins from these earlier Mesopotamian gods.

This children's novel is the story of how 10 year old Zeta meets a merman while on a family vacation in Scotland. The merman, Marinus, teaches her to swim, and many other things about the fantastical ocean

world. I read this book due to recognizing the author of two classic children's novels, Babe and The Water Horse.

An exhilarating modern fairy tale about what happens when the tragic and mundane collide with the strange and wonderful. Nella and her brother Robert live a difficult life with their mother and father in a small town on the west coast of Sweden. Robert is bullied at school, and Nella has to resort to debt and petty crime to pay off his tormentors. When she turns

to her friend Tommy for help, her suspicions are aroused by the mysterious comings and goings of his brothers at their dilapidated boat house. But when she uncovers the reason behind their enigmatic behavior, her life is opened to the realities of a mindboggling secret. The Merman is a dark and haunting novel about sibling love and betrayal—and about what happens when the mundane collides with the strange and beautiful.

Gabriel Braven is destined for a great love, but he does not believe it. His parents had a storybook

romance ... until a freak ocean storm robbed them of their lives and left him alone to be raised by his grandmother. With their deaths, Gabriel's adoration for the sea turned to fear, and his belief in happy-ever-afters turned to dust.

Gabriel vowed to never set foot in the ocean again and to never believe in love. Gabriel kept that promise until after his junior year of college, when he and his best friend Corey return to the ocean-side town where he lost his parents in order to help his grandmother.

Gabriel's bitter fear of the water has only grown, along with his belief that it is

his destiny to be forever alone. Corey is determined to prove Gabriel wrong. It is his mission that summer for Gabriel to find love on the beach ... and maybe do some swimming, too. Gabriel will settle for simply not reliving his parents' deaths every time he hears the rush and shush of the waves. Both may get their wish as Gabriel discovers the hidden past of the Bravens and the sea sends someone amazing to his aid.

vile intents. Unlike mermaids, mermen bond for life, and Zantu refuses to accept the heartbreak most mermen die of. That is, until the glint of gold catches his eye, and a simple salvage mission turns to passion. Now he's bonded to a human. A woman looking for a reason to live. Briana thinks her life is over after the loss of her child. Instead, she falls into the arms of a merman who is anything but cold-blooded. He's wild, seductive, and sets her blood on fire every time he touches her, and soon she begins to need him for more than his magic to breathe underwater. He might
