The Oxford Handbook Of Social  
Abstract. The Handbook presents a most  
updated and comprehensive exploration of  
social movement research. It not only  
maps, but also expands the field of social  
movement studies, taking stock of recent  
developments in cognate areas of studies,  
within and beyond sociology and political  
science. While structured around  
traditional social movement concepts,  
each section combines the mapping of the  
state of the art with attempts to broaden  
our knowledge of social movements  
beyond classic ...
