The Psychology Of Human Possibility And Constraint ...

One of the new concepts in Counterclockwise that I've introduced is the idea of a psychology of possibility. Although it shares some similarities, it's not the same as positive psychology. But that raises the question, what exactly is the psychology of possibility? It's the study of what might be, rather than a description of what is.

Ellen Langer: The Psychology of Possibility

What is psychology?—should be that psychology is the study of the principles, laws and facts of man's possible evolution. Downloaded from: www.holybooks.com :
