Ebook Time To

Earnest: A Fragment
Of Autobiography has
an innovative
structure: James
wrote a diary that
spans from her 77th
birthday to her 78th,
and used her day-to-
day experiences as
jumping off points to,
sometimes, reflect on
writing, past eras of
her life, the modern
era, and crime.

considers the twelve months of her life between her 77th and 78th birthdays, 'a time to be in earnest', as Dr Johnson said at the comparable moment of his very different life two centuries ago.
