The sections relating to this topic really helped me understand that values are taught to people in certain ways to provide for other people to see how they behave in certain situations. This chapter also discusses the different terms relating to human differences like

Where To Download Understanding Human Differences, Koppelman

bias, stereotype, prejudice, bigotry, and discrimination. In this section, the book claims that the first four words in that list can almost be a step ladder to a way that a person may act toward someone.
